

**ST. AUGUSTINE CHAMBER ORCHESTRA**

**&**

**THE TRINIDAD & TOBAGO YOUTH PHILHARMONIC**

# **SPONSORSHIP PACKAGE**

# A HOME OF OUR OWN

St. Augustine Chamber Orchestra (1999) is a duly registered, non-profit organization and the parent body of the Trinidad & Tobago Youth Philharmonic which was birthed in 2006. For the past 12 years of SACO's existence, the University School, Baker Street, St. Augustine, has been our home base for which we are graciously thankful for their invaluable support. However, with the dynamic growth of the orchestra with a membership of over 200 students there is now a pressing need for SACO/TTYP to obtain their own home.

SACO has a clear vision for its future home and thanks to architect, Mr. Martyn Joab, whose children are members of TTYP, he has provided this draft design of SACO/TTYP's future home, which will be a multi purpose facility that will house the Music Academy.

- ◆ A secure environment
- ◆ Office Space
- ◆ Classrooms
- ◆ Secure storage for our vast library of sheet music, instruments, photo albums, CDs, videos, uniforms and accessories
- ◆ Auditorium for general rehearsals and meetings
- ◆ A fully equipped mini concert hall for recitals and concerts
- ◆ Secure parking facilities

## ACADEMY

We hope, pray, and encourage you to grasp this 'One Moment in Time' opportunity and follow the Welters family's example by investing in the Trinidad & Tobago Youth Philharmonic's continuing thrust to 'Growing to Greatness.'

In order to proceed to the next stage we seek the donation or acquisition of four (4) acres of land in the Tunapuna/Piarco Regional Corporation district at a cost of six million dollars (\$6,000,000.) and assistance with the construction of the Music Academy.
